Sr. Audit Officer/HQ-II

SEPARATE AUDIT REPORT OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA ON THE ANNUAL ACCOUNTS OF THE NATIONAL INSTITUTE OF TECHNOLOGY, AGARTALA FOR THE YEAR ENDING 31 MARCH 2022

We have audited the attached Balance Sheet of the National Institute of Technology Agartala, Tripura (NITA) as on 31 March 2022, the Income and Expenditure Account and Receipts and Payments Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. These financial statements are the responsibility of the management of NITA. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General (C&AG) of India on the accounting treatment only with regard to classification, conformity with the best accounting practices, Accounting Standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects etc., if any, are reported through Inspection Reports/C&AG's Audit Reports separately.

3. We have conducted our audit in accordance with Auditing Standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.

ii) The Balance Sheet, Income and Expenditure Account/ Receipt and Payment Account dealt with by this report have been drawn up in the format prescribed by the Ministry of Education {formerly, Ministry of Human Resources Development (MHRD)}, the Government of India vide order No. 29-4/2012-FD dated 17 April 2015 except as stated in **B.1.**

iii) In our opinion, proper books of accounts and other relevant records have been maintained by the National Institute of Technology Agartala, Tripura as far as it appears from our examination of such books.

iv) We further report that:

A. Income & Expenditure Account

Excess of Income over Expenditure: ₹ 15.86 crore

Expenditure: ₹ 121.45 crore

Contribution to Retirement Benefit Fund: ₹ 11.57 crore

A.1 Short-provisioning in respect of Employee's Retirement and Terminal Benefit Payment Obligations as per the Actuarial Valuation Report aggregating to ₹ 8.07 crore has resulted in the overstatement of the 'Excess of Income over the Expenditure' for the FY 2021-22 by a sum of ₹ 8.07 crore with the corresponding understatement of the 'Current Liabilities & Provisions by the same extent.

Excess of Income over Expenditure: ₹ 15.86 crore

Interest Earned: 64.32 lakh [Schedule 12]

1) On Savings Accounts:

a) With Scheduled Banks: 47.54 lakh

A.2 As per the provisions of Rule 230(8) of GFRs 2017, the Ministry of Education, Government of India (MoE, GoI) in its all of its sanction letters has also mentioned that all interests earned against Grants-in-Aids (Other than reimbursement) released to the University/educational institutes shall be mandatorily remitted to the parent Ministry Account immediately after finalization of accounts. Any interest earned out of Grants-in-Aid shall not be treated as additional funds over and above allocation.

However, NITA Management, in contravention of the aforementioned instructions issued by the Ministry of Finance, has exhibited the said interest-income as its own income under the account head "Interest Earned [Schedule 12]" instead of showing the same under the account head "Current Liabilities and Provisions".

As such, inaccurate accounting of the interest-income earned on the MoE, GoI's Fund has resulted in to the overstatement of 'Interest Earned' by a sum of ₹ 47.54 lakh with the corresponding overstatement of the 'Excess of Income over Expenditure' as well as understatement 'Current Liabilities and Provisions' for the FY 2021-22 by the same extent.

Excess of Income over Expenditure: ₹ 15.86 crore

Prior Period Income: ₹ 55.44 Lakh [Schedule 14]

A.3 The Institute had not accounted for Hostel Fees as well as Mess fees collected by NITA though the underlying issue was pointed out by the Comptroller & Auditor General of India in the previous FYs as well. However, the NITA Management has failed to make the necessary amends till date.

B. General

B.1 Format of Accounts

Significant accounting policies, Sl.No.1, para 3 states that the National Institute of Technology, Agartala(NITA) has prepared the Annual Accounts for the financial year (FY) 2021-22 as per the format provided by the Ministry of Education {formerly, Ministry of

Human Resources Development, Government of India (MHRD)} with the approval of the Comptroller and Auditor General of India. However, the following instances were noticed wherein the requirement of the prescribed format was not adhered to:

Sl. No.	Name of Schedule	Nature of non-compliance
1.	Schedule 9 <i>Academic Receipts</i>	As per the format requirements, any items under the head miscellaneous income which exceeds 1 <i>per cent</i> of the total turnover/gross income of entity or ₹ 50, 000/- whichever is higher shall be shown as a separate and distinct item against an appropriate account head in the Income and Expenditure Account. NITA has exhibited an amount of ₹ 1,95,06,000 as 'All other Fees' under the head 'Academic Collection' which should be bifurcated as per the Ministry of Education (formerly, MHRD) format requirement.

Corpus/Capital Fund: ₹ 750.99 crore

Income & Expenditure for the Y/E 31.03.2022

Excess of Income over Expenditure: ₹ 15.86 crore

Academic Receipts : ₹ 27.64 crore [Schedule 9]

Expenditure : ₹ 121.46 crore

Contribution to Corpus Fund : ₹ 20 crore

B.2 NITA, had transferred a sum of ₹ 20 crore to Corpus Fund A/c, has claimed a deduction of ₹ 20 crore as an 'expenditure' in its Income & Expenditure Account for the Y/E 31 March 2022. Further, NITA has been doing so in respect of its previous FYs as well since FY 2009-10.

However, the purpose and treatment of such transfer to Corpus Fund A/c could not be ascertained from the books of accounts and this should be properly disclosed in the books of accounts for better understanding.

Income and Expenditure Account

Excess of Income over Expenditure: ₹ 15.86 crore

Grants & Subsidies: ₹ 107.67 crore [Schedule 10]

B.3 As per Schedule 10, it was observed that the Institute had transferred the capital expenditure incurred amounting to ₹ 24.62 crore to Income and Expenditure account instead of Capital/Corpus fund. The above treatment is not as per the approved format. Hence the Institute is required to do the treatment of Grant-in-Aid as prescribed in the approved format.

Further, as per MHRD guidelines, excess expenditure incurred over and above the Grant-in-Aid may be met from internal resources and may not be shown as receivable. However, the Institute had shown negative closing balance of Grant-in-Aid. This treatment is not as per the above Guidelines.

Excess of Income over Expenditure: ₹ 15.86 crore

Prior Period Income: ₹ 55.44 Lakh [Schedule 14]

B.4 The Institute had not accounted for Hostel Fees as well as Mess fees collected by NITA though the underlying issue was pointed out by the Comptroller & Auditor General of India in the previous FYs as well. However, the NITA Management has failed to make the necessary amends till date.

B.5 National Institute of Technology, Agartala (NITA) during its formation in the year 2006 had taken over the net assets of ₹ 16.08 crore from the erstwhile Tripura Engineering College (TEC). However, NITA, till date, has failed to incorporate the taken-over assets and liabilities of TEC into its accounts on 'Put-to-Basis' notwithstanding the possession of and use of the same. Until confirmation from DHE, GOI, they should give proper disclosure in their accounts for better understanding of the accounts..

B.6 The Electro-mechanical work in the swimming pool component of the Sports Complex at the National Institute of Technology, Agartala (NITA), had not been taken up as on 31.03.2022. In the 43rd Building and Works Committee Meeting dated 21.06.2019, it was decided to invite the Expression of Interest (EOI) for the balance work at an estimated cost of ₹ 4.47 crore. Accordingly, the asset value of swimming pool (aquatic center) included in the capitalised value of ₹ 64.40 crore under Sport Complex in the accounts of the NITA for the FY 2020-21 should be reversed to Capital Work-in-Progress (CWIP) until the swimming pool is ready for use.

The component-cost of the swimming pool that had been earlier capitalised by the NITA Management couldn't be quantified because of non-production of the details/records/information on account of the related files being in possession with the Central Bureau of Investigation (CBI).

B.7 The Institute had not made any provision in respect of the advances made to Bharat Sanchar Nigam Limited (BSNL) and Tripura Housing and Construction Board (THCB) and the same lying unadjusted since several years with no details in respect of the same being available with the Management

B.8 The Institute had not accounted for a Fixed Deposit(FD) (*Certificate No. 630074*) maintained with the Tripura Gramin Bank .

B.9 The Institute had not charged Depreciation on assets for the prior periods and Institute is required to ascertain it and account for in Books of Accounts.

B.10 The Institute had depicted the interest accrued income of ₹ 27.52 lakh on the said Mutual Fund as ₹ 25 lakh under the account 'Interest on Fixed Deposits- General A/c' is improper and the same should be exhibited as 'Income accrued on Investments- Others: ₹ 25 lakh' under the Loans, Advance & Deposits.

The Institute had also done inaccurate accountal of payments aggregating to ₹ 13.45 Lakh in respect of bills pertaining to the FY 2021-22 which were made in the FY 2022-23 i.e. in the months of April 2022 to July 2022. However, the same were not

duly accounted for as 'Expenses' in the FY 2021-22 thereby violating the accrual basis concept of accounting.

C. Grant-in-aid

Treasure Single Account System (TSA), being an essential tool, for consolidating and managing Governments' cash resources, thereby minimizing borrowing costs of the Government was rolled out by the MoE, GoI in the National Institute of Technologies (NITs) in February 2021. For the Central Autonomous Bodies (CABs), a centralized TSA model is followed where the accounts of the agencies are opened in the Reserve Bank of India (RBI) itself. This account is then allotted an assignment limit by the parent Ministry. All expenditures incurred by CABs are, subsequently, debited directly to the Government account in RBI instead of funds being transferred upfront by the parent Ministry to a commercial bank account of the CAB. Further, any unspent amounts in the aforementioned RBI Account at the year-end is automatically reduced to zero thereby implying that the unspent balances of Grant-in-Aids, if any, has to be surrendered to the Government at the year-end to enforce fiscal discipline.

The details of Grant-in-Aid received by the NITA during the FY2021-22 as well as the utilisation in respect thereof is summarised as under:

(Amount : ₹ in crore)

Head	Opening Balance	Received during the FY 2021-22	Extent of Utilisation (in ₹ & %)	Reversed through PFMS	Closing Balance
Grant-in-Aid OH-31 (i.e. for recurring expenditure payment purposes)	0.93	38.53	38.16 (96.70 %)	1.55	(0.25)
Grant-in-Aid OH-36 (i.e. for Salary payment purposes)	(11.39)	51.88	44.89 (110.84 %)	0.01	(4.40)
Grant-in-Aid OH-35 (i.e. for Capital Expenditure purposes)	19.61	8.10	24.62 (88.85%)	NIL	3.10
Total	9.15	98.51	106.09		5.83

During the FY 2021-22, NITA was in receipt of a total corpus of ₹ 98.51 crore under the Salary Head (₹ 51.88 crore), Recurring Head (₹ 38.53 crore) and CAPEX head (₹ 8.10 crore) as Grant-in-Aid from the Ministry of Education, Government of India (MoE, GoI). As on 01.04.2021, an unspent balance of ₹ 20.54 crore under the recurring head as well as CAPEX head was lying with NITA. Further, opening negative unspent balance of ₹ 11.39 crore was lying with NITA as on 01.04.2021.

As against the total available Grants aggregating to ₹ 79.96 crore under the Salary Head and the Recurring Head during the FY 2021-22, NITA spent a total sum of ₹ 83.05 crore under the Salary Head (₹ 44.89 crore) and the Recurring Head (₹ 38.16 crore). Further, an

unspent balance of Grant-in-Aid aggregating to ₹ 1.56 crore was reversed through the Public Financial Management System (PFMS) to the MoE, GoI on 31 March 2022.

NITA was in receipt of ₹ 8.10 crore under the head Capital Assets during the FY 2021-22. Further, as against the total available fund of ₹ 27.71 crore inclusive of the opening balance of ₹ 19.61 crore under the head Capital Assets, NITA expended a sum of ₹ 24.62 crore under the head Capital Assets during the FY 2021-22.

It was observed that NITA, as envisaged under the TSA system, failed to refund to the unspent balances of Grant-in-Aids aggregating to ₹ 20.54 crore under the Recurring and CAPEX head as on 31.03.2021 and utilised the same to the extent of ₹ 17.48 crore during the FY 2021-22. NITA again failed to surrender the unutilised opening balances of the FY 2021-22 pertaining to the CAPEX Grant-in-Aid aggregating to ₹ 3.10 crore at the year-end on 31 March 2022. The said amount of ₹ 3.10 crore couldn't be reversed through PFMS since it pertained to the fund received by the NITA from the MoE, GoI prior to the implementation of TSA in NITA in July 2021.

Failure to surrender the unspent Grant-in-Aid balances on the part of NITA was not in-line with the objective of ensuring fiscal discipline envisaged under the TSA.

Further, as per MHRD Guidelines, excess expenditure incurred over and above the Grant-in-Aid may be met from internal resources and may not be shown as receivable. However, the Institute had shown negative closing balance of Grant in aid. This treatment is not as per the above Guidelines.

vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read with the Accounting Policies and Notes on Accounts, and subject to the Significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

- a) In so far it relates to the Balance Sheet of the state of affairs of the National Institute of Technology, Agartala as on 31.03.2022,
- b) In so far as it relates to Income and Expenditure Account of the profit for the year ended on that date.
