

Sanskrit Bhasa Abhyasa: NEP 2020 Language Enrichment Program

15th November to 26th November 2023

Organized by:

Dept. of Management, Humanities & Social Sciences
in collaboration with the Office of Dean SW
National Institute of Technology Agartala
(An Institute of National Importance under Ministry
of Education, Government of India)
Tripura, INDIA- 799 046

NIT Agartala is a centrally funded Institution set up to impart quality technical education into various levels of higher learning. This institute is one of the 31 National Level Technical Institutes set up by the Govt. of India. The Institute's mission is "To help to improve the economic development of the country particularly the North-East states and also the public systems, through the pursuit of excellence in technical education, research, consultancy, and training". The Institute is spread over an area of 392 acres and well connected by surface in rail, air, and national highway. NIT Agartala is ranked within the 100 top institutions for the last three consecutive years in NIRF.

About the Workshop:

This workshop will unveil the importance of practicing and preserving Sanskrit as a language. Spoken Sanskrit holds immense cultural, historical, and linguistic significance. It embodies an ancient heritage, encompassing religious, philosophical, and literary texts, and its structured grammar enriches linguistic understanding. Vital for comprehending spiritual scriptures, it underpins research, connects modern Indian languages, preserves traditions, fosters intellectual growth, aids cross-cultural insights, and promotes personal enrichment. By reviving its use, we safeguard this heritage, enabling engagement with India's profound cultural and intellectual legacy.

About the Department:

The Department of MHSS was established with an objective of making an engineer enlightened with adequate knowledge of his/her surroundings. The Department is engaged in teaching English and Economics to B.Tech Engineering students. The approach of the Department has always been interdisciplinary. The Department offers undergraduate courses in Economics, Costings, Management Principles and Communicative Skill Development. Besides that, it encourages the students to actively take up research in various fields of Humanities and Social Sciences. The Ph.D. programme of the Department is introduced to serve that very purpose. The School of Management started its operation since July 2012.

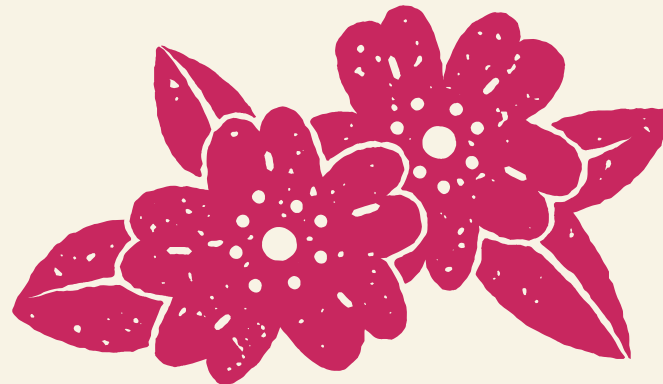

Resource Person:

नयनज्योतिशर्मा

शिक्षकः, अनौपचारिकसंस्कृतशिक्षणकेन्द्रम्,
अगरतला

SHREE NAYANJYOTI SARMA
TEACHER,
NON-FORMAL SANSKRIT
EDUCATION CENTRE,
AGARTALA (under Central
Sanskrit University, Ekalavya
Campus, Agartala)

Workshop Details:

Venue: Virtual Classroom, NIT Agartala

Time: From 3:00 PM to 5:00 PM

Each participant must fill out the feedback form after completing the workshop.

Program Objectives:

- To facilitate the learning and practice of spoken Sanskrit among participants.
- To align the workshop with the provisions and goals set forth in the NEP 2020.
- To enrich participants' understanding of Sanskrit language, culture, and heritage.
- To promote Sanskrit as a language of intellectual, scientific, and cultural significance.

Organizing the "Sanskrit Bhasha Abhyasa: NEP 2020 Language Enrichment Program" is a significant step towards promoting the Sanskrit language and aligning educational initiatives with the NEP 2020.

We believe that this workshop will contribute to the enrichment of both individuals and educational institutions.
