No.F. NITA.20(587-ECE)/2025-26/Guest Faculty

Dated:

WALK-IN-INTERVIEW FOR GUEST FACULTY (ECE)

A walk-in interview for the engagement of two (02) Guest Faculty in the Department of Electronics & Communication Engineering (ECE), NIT Agartala will be held on 08/09/2025 at 11:00 AM in the Registrar's Conference Room (3rd floor, Admin Building). Interested candidates are requested to submit their CV along with academic details, including the Institutes/Universities attended and percentage of marks obtained, to the HOD, Department of ECE, NIT Agartala, via email at hodnita.ece@nita.ac.in and tamasi_moyra@yahoo.co.in by 05/09/2025. Candidates are required to report at the venue for the interview on 08/09/2025 at the scheduled time.

The engagement of the Guest faculty will be based on the following terms and conditions:

1. The engagement shall be purely on temporary basis with the following credit base remuneration (honorarium):
 - Professor (in service/retired): **₹40,000/- per credit course**
 - Associate Professor (in service/retired): **₹35,000/- per credit course**
 - Assistant Professor (in service/retired): **₹30,000/- per credit course**
 - Personnel not in regular service (State Govt./Central Govt.): **₹25,000/- per credit course**

(The above honorarium will be inclusive of transportation allowance. No other expenses shall be borne by the Institute.)
2. For each credit, a minimum of **13 one-hour classes** shall be conducted by the faculty member. In addition, the faculty member is required to conduct class test/provide assignments, prepare question papers for midterm and end-term examinations and evaluate the answer scripts.
3. Payment of honorarium will be processed only after completion of all academic requirements, including examinations and evaluation of answer scripts.
4. Lectures shall be delivered in **offline mode only**. However, a maximum of **one lecture hour per week** may be conducted in online mode.
5. The engagement shall be valid for at least **one semester**.
6. Personnel working in research organizations or retired from Institutes/Industries may also be considered for engagement on a case-to-case basis.
7. **Essential Qualification**
 - A First-Class Master's Degree along with a Ph.D. in relevant discipline of engineering shall be the minimum qualification.
 - Candidates who have submitted their Ph.D. thesis with valid documentary proof may also be considered.

Candidates are required to bring their original certificates and documents, along with self-attested photocopies, on the day of the interview. They should also submit an application on plain paper and a detailed bio-data including a recent photograph.

No TA/DA will be provided for attending the interview.
