1. INTRODUCTION**About**

The National Institute of Technology Agartala is one of the thirty-one National-level Technical Institutes set up by the Government of India. The Institute's mission is "to help to improve the economic development of the country particularly the North-East states and also the public systems, through pursuit of excellence in technical education, research, consultancy, and training". The Institute also offers different UG, PG programmes. With more than 4500 students along with more than 500 faculty members, Administrators, Staff and Technical Personnel, the Institute today is a hub of quality activities in Higher Education and Research

Location & How to Reach

The Institute is 4 km off National Highway (NH-44) and about 20 km away from capital city. Nearest rail station is 02 km from the Institute and more than ten Airlines connecting Delhi, Kolkata, Guwahati, and Mumbai directly. From Airport to NITA, Taxi, Tata Sumo/Max and Bus services are available.

2. OBJECTIVE OF THE PROPOSED WI-FI NETWORK

The objective of this **Expression of Interest (EoI)** is to set up a modern state-of-the-art Wi-Fi Network Facility in the NIT Agartala Campus with Wi-Fi 6 based Wireless Routers/Access Points (APs)/Controllers, etc. as per the IEEE 802.11ax High Efficiency (HE) Wi-Fi technology standard. The Wi-Fi solution may be proposed with either Outdoor or Indoor type Wi-Fi devices or with a combination of both to get optimum coverage area with minimum devices and must support secure and reliable network access to Data, Voice, and Video Applications for students and Visitors.

- The proposed Wi-Fi Network solution should support different type of user devices and gadgets ranging from Desktops, Computers, Tabs, Smartphones, etc.
- There should have a provision of Centralized Management, Control, Configuration of proposed devices like Switches, Controllers, APs, Routers, etc.
- The Wi-Fi Network should be seamlessly integrated with the existing Campus LAN and all services thereof.
- The solution should also be scalable for future demands for high bandwidth networks.
- The solution should effectively balance the load of data traffic during peak usage period.
- There should be a suitable security mechanism to detect/protect un-authorized access to the network.
- There should be suitable management system to impose Institutional Internet policy and restriction to the Wi-Fi network.
- There should be a mechanism to log and report activities performed by Wi-Fi clients over certain period of time.

3. SCOPE OF WORK

The scope of the proposed Wi-Fi Network is to provide secure wireless LAN access at various locations in the NIT Agartala Campus. The solution must have adequate Wi-Fi Infrastructure to cover about 5000+ students.

It should be designed and implemented in such a way that **each user** gets reliable Wi-Fi signal strength **(20 Mbps/user)** and there should not be any shadow zones / blank spot in the campus. There should be an easy and seamless roaming facility available among different Wi-Fi locations in the campus, and all user Terminals/Gadgets must be configurable on the go using captive portals.

The Proposed Wi-Fi Network should include the following facilities:

- Supply, configuration, and installation of the state-of-the-art Wi-Fi Network.
- Provision of access control and audit trail mechanisms as per industry standards and security norms defined by various regulatory bodies.
- Provide the web-based management capability to monitor and manage the Wi-Fi Network.
- Facility to define rule- or role-based access depending on group, usage, time duration, etc.
- Filter or restrict Wi-Fi access based on URL, Application, Category, Content, Signature, etc.
- Provision for customizable reports for Wi-Fi Access based on IP Address, MAC Address, User Login-ID, etc.
- Facility to blacklist specific User/System from Wi-Fi Access in case of violation of any security policy.

4. WI-FI COVERAGE PLAN :

A. Areas to be covered (See Annexure –A for Wi-Fi coverage map)

Following areas / buildings should be covered with seamless high speed Wi-Fi connectivity:

Area	Zone	Location
1	Academic	Old Academic & Administrative Building [Departments: Mechanical Engg., Production Engg.,]
2	Academic	New Academic & CDAC Building [Departments: Physics, Chemistry, Bio Engg. & CDAC]
3	Academic	Civil Engineering Building [Departments: Civil]
4	Academic	ECE Building [Departments : EE & ECE]
5	Academic	CSE Building [Departments : CSE & EIE.]
6	Academic	New Canteen & VCR building [Dept./Unit: Civil (Hydro Informatics), Bio Engineering, Computing & ICT (VCR)]
7	Academic	Old and New KV Building [Departments: KV NITA & Maths. NITA labs. in old KV building]
8	Academic	Workshop -1 (Civil, ME & Prod. Labs) & Workshop 2 (Physics Lab & Class rooms) New ME & Civil Workshop (Opposite ECE Building)
9	Academic	Chemical Engineering Dept. /Old Library building
10	Academic	Bio Engineering Dept. Building
11	Academic	New Smart Lecture halls building
12	Administrative	New Admin-1 & New Admin-2
13	Library	Knowledge Centre [Central Library, MHSS]
14	Guest House	International Guest House & Old Guest House
15	Auditorium	Visvesvaraya Auditorium & Swami Vivekananda Seminar Hall
16	Hospital	NITA Hospital
17	Sports Complex	NITA Sports Complex
18	Hostels	Hostels 07 Nos. (Aryabhatta Hostel, New R N Tagore Hostel, Gargi Girls Hostel (old & new), Dhalai, Gomati, Howrah & Saima).
Note: The same may be extended to new infrastructure assets as and when created.		

5. ELIGIBILITY CRITERIA

MINIMUM TECHNICAL CRITERIA REQUIREMENT FOR QUALIFYING IN THE EOI

The prospective Participant should possess all the following minimum technical criteria for qualifying in the EOI:

- 5.1 The Participant should have experience in successful establishment of Wi-Fi network services during the **last three consecutive years ended on 31st March 2025 in NITs/IITS/IIMs or any other Institute of National Importance**. Satisfactory performance proof to be attached.
- 5.2 During the last three consecutive years i.e. 2022-23, 2023-24 and 2024-25 the participant should have undertaken
- a) Two similar completed/ongoing works with at least 3000 Wi-Fi network users capacities at any **NITs/IITS/IIMs or any other Institute of National Importance**.
OR
- b) One similar completed/ongoing work with at least 5000 Wi-Fi network users capacities at any **NITs/IITS/IIMs or any other Institute of National Importance**.

Note: Similar nature of work means (A) providing Network facilities through Wi-Fi in renowned Government Educational Institutions such as IITs, NITs, IIMs, AIIMS, Central/State/Deemed Universities/ Renowned Private Educational Institutions (with **high ranking**) /Universities (with **high ranking**) or any Academic Institution functioning under Ministry of Human Resources Development

5.3 Average Annual Turnover:

- i. The participant's average annual turnover during the last three financial years i.e. **2022-23, 2023-24 and 2024-25** should not be less than **Rs. 4000 lakhs (Rupees four thousand lakhs only)**. Year in which no turnover is shown would also be considered for working out the average. Copy of Tax Audited financial statements should be attached along with 3CD and 3CB.
- ii. GST Returns of the above mentioned three financial years are also necessary.
- iii. Only original service provider can participate in the EOI. No other Authorised channel partner(s) is / are allowed to participate in this EOI.

5.4 **Performance Certification:** The participants' performance for each work completed in the last three years and work in hand should be certified by the responsible official from the concerned organization. The certificate should be enclosed with EOI.

5.5 The Participant should have a valid License under issued by DOT (Department of Telecommunication) under Ministry of Communication, Govt. of India.

5.6 The Participant must possess Service Tax registration. Copy of service tax registration should be submitted.

5.7 The Participant must possess GST registration. Copy of GST registration should be submitted.

5.8 The Participant must possess PAN registration with Income Tax department. Copy of PAN registration should be submitted.

- 5.9 The Participant should not have abandoned or suspended any awarded service of any organization out of term. Affidavit to this effect should be submitted by the Participant as per the format provided in the EOI document.
- 5.10 The Participant should not have been blacklisted / debarred from competing by any organization. Affidavit to this effect should be submitted by the Participant as per the format provided in the EOI document.
- 5.11. Latest Bank solvency certificate amounting not less than 5 crore issued by any scheduled bank should be submitted

6. INSTRUCTIONS TO THE PARTICIPANTS:

- 6.1 EOIs are invited on behalf of the **National Institute of Technology Agartala**, Tripura-799046 from the intending participants for establishment of Wi-Fi Network Facility in the NIT Agartala Campus with Wi-Fi 6 also known as IEEE 802.11ax High Efficiency (HE) Wi-Fi technology standard based Wireless Routers/Access Points (APs)/Controllers, etc. as detailed in the enquiry letter.
- 6.2 The participants should quote their rates in clear terms without ambiguity. The quotation should be in Indian Rupees only.
- 6.3 **The last date & time for submission of the EOI is marked in the enquiry.**
- 6.4 The proposal of EOI may be dropped in the tender box at Purchase Section, NIT Agartala, Barjala, Jirania, West Tripura, PIN-799046 by hand or send through Speed Post/Courier Service in favour of Registrar, NIT Agartala, Barjala, Jirania, West Tripura, PIN-799046 on or before last date & time of EOI submission period. For any postal/courier delay, NIT Agartala will not responsible.
- 6.5 EOIs received after the deadline of receipt indicated in para 1.4 above, shall not be taken into consideration.
- 6.6 Each Participant shall submit only one EOI against one enquiry. A Participant, who submits more than one EOI against single enquiry, shall be disqualified and considered non-responsive.
- 6.7 The Participant has to enclose a check list at per Annexure - C duly filled in along with all relevant/supporting documents while submitting EOI through www.eprocure.gov.in.
- 6.8 Opening of EOIs by the Purchaser will be done as per scheduled of EOI opening time.
- 6.9 At any time prior to the due date for submission of EOIs, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Participant, modify the EOI documents by amendment.
- 6.10 All prospective participants are expected to surf the website before formulating and submitting their EOIs to take cognizance of the amendments.

- 6.13 The participant must submit an affidavit regarding non-abandoning of any job or project in non-judicial stamp paper of INR 100.00

The above mentioned two points 6.12 and 6.13 should be treated as mandatory condition which must be fulfilled by the participant in standard format.

7. TERMS & CONDITIONS:

- 7.1 The Participant should be Proprietary Firm or Partnership Firm or Pvt. Limited or Public Limited Company (Partnership deed/ Registration Certificate and Certificate of incorporation to be enclosed) or Government PSUs. The bidder must establish a service Centre / Help desk in the Campus of NIT Agartala with adequate manpower which will run 24/7 to attend and solve any sort of problems / issue of the client within 10 days from awarding the contract.
- The problem/issues required to be attended within 48 hours from the time of booking the complaint call. If not attended within 48 hours, fine of INR 250.00 per hour shall be charged.
- 7.2 The Participant would provide Wi-Fi services that support the centralized proving, monitoring and enforcing the policies for the subscribers with associated 24x7 monitoring of the networking infrastructure on end to end basis covering access, backhaul, and Internet gateway facility. A Service Level Agreement (SLA) will be signed in between selected Participant and NIT Agartala.
- 7.3 The participant should set up a network inside the Institute, which should consist of optical fiber, Access Switches, Wireless Access points, Security Equipment (UTM and Firewall), etc., with the cost being borne from their own resources.
- 7.4 The security devices i.e., Firewall, UTM etc. will be maintained by Participant for maintaining log records of web access and protection of network from malicious activities, network attack, hacking etc. However, access Log of Firewall is required to be shared in NIT Agartala for any Cybercrime analysis if required, in case any legal issues.
- 7.5 The average 03 GB per day per user is in the following breakup:
- 2GB/day + 30 GB/month as a Pull Storage**
- 7.6 This can meet aspirations of students in working with high volume of data. Each user shall be allowed to log-in two devices (Computer and Mobile) through their user ids. However, there can be a **Fair Usage Policy (FUP)** i.e., after a specified data download (needs to be mentioned), the data speed can be reduced. However, speed to be restored to the original speed after any top up purchased by the user. There is an option for topup by which users can avail the facility as needed after completion of the daily quota.
- 7.7 The data speed during FUP should not be less than 20 Mbps/user (point to point) and after FUP, the data speed should not be less than 128 Kbps/user. The drop of Wi-Fi signal should not be occurred during web surfing / accessing Internet in the campus. Wi-Fi 6 network should be implemented throughout the campus.
- 7.8 The network of the Participant should be interconnected to the NKN at their own cost, so that the access to the educational resources connected to NKN is available to all users from the college.

- 7.9 The Participant is free to offer any other service which is permitted under their licence. The user would be free to select the service and tariff package of their choice. The different tariff package must be mentioned in EoI.
- 7.10 Downtime should not be more than 48 hours.
- 7.11 NIT Agartala should be permitted with admin rights to the Network Management System /Wireless Controller of the proposed Wi-Fi network.
- 7.12 Any data passing through this network cannot be shared with anyone without exclusive permission of NIT Agartala.
- 7.13 The Participant should not be Blacklisted or involved in any Corrupt & Fraudulent Practices by any Central/ State Govt./ Ministry/ Affiliate or Public sector undertaking/ University.
- 7.14 **Service charges:**
- i) The Wi-Fi service will be implemented under the Operational Expenditure (OpEx) model, and the service charges shall be on a per-user basis.
 - ii) The actual users shall include the total number of existing students in the Institute.
 - iii) **The services charges for the said plan cannot be increased for a period of five (05) years w.e.f the signing of the agreement.**
 - iv) All taxes and duties (as per rules as applicable) shall be extra. The vendor/service providers shall pay all taxes/duties (as per requirements) to the relevant tax Authorities. In such cases while submitting bills/Invoice to the client, proof of payment of taxes shall be submitted if applicable, so that the client can make payment for paid taxes to the consultant (based on tax document submitted).
- 7.15 **Installation and Maintenance:**
- The entire capital for providing the campus Wi-Fi service has to be invested by the Vendor/Service Providers. The maintenance of the system shall be the responsibility of the Vendor/Service Providers without imposing any charge to the Client.
- 7.16 **Authorization, authentication, security, monitoring and report generation:**
- The Authorization, authentication and maintenance of users should be implemented separately for client, as specified by client. In this regard, client will provide the user data. Provision should be there to generate performance reports to monitor usage in case of FUP, enrolling users etc.
- 7.17 **Compliance to International Standards:**
- The offered Wi-Fi equipment at the Core NW and at the campus shall be state-of-the-art, carrier grade equipment conforming to relevant International, IEEE and ITU-T standards.
- 7.18 **Portal:** The consultant shall create a portal and provide read-only access for viewing Wi-Fi usage statistics to authorized personnel at the Institute. The Institute should have the authority to add or remove user accounts from the system at any time.
- 7.19 **Network Management System (NMS):** There should be a centralized NMS to monitor the performance of the network on 24*7 basis. NIT Agartala should be given access to the NMS required for operations of the network. NIT Agartala concern staff should be trained to use the NMS. In SLA, it should be mentioned the software by which speed test of individual user can be measured accurately.
- 7.20 **Help Desk:** Participant will have a dedicated 24*7 Call Centre for dealing with user

requests/complaints related to Wi-Fi services. The details of help desk i.e. Phone/Mobile No./Toll free number & email Ids should be mentioned in the SLA.

- 7.21 Free data : The Participant should offer additional free data, which shall not be less than 01 GB per month per user in the Institute for the entire period of the arrangement. The data speed should not be less than 20 Mbps per user.
- 7.22 All other jobs required for successful commissioning of the project must be included in the EOI like:
- i) Supply and Installation of all active devices likes wireless Access Points, Switches, Routers etc.
 - ii) Supply and Installation of passive components like Cables, Racks, Panels and Erection of mast/ Towers, etc.
 - iii) Supply & Fixing of Mountings
 - iv) Supply and Installations of Copper & Fiber Optic Media.
 - v) Provision of power backup using online UPS as per requirement, etc.

7.23 Termination of contract:

A Service Level Agreement (SLA) will be signed in between selected Participant and NIT Agartala. The agreement contract period will remain valid for next five (05) years with effect from the date of signing of the agreement with yearly renewal basis which is based on the performance of the Wi-Fi service. However, in case of continuing failure to maintain the service levels, the Client can terminate the contract after giving adequate opportunity to the consultant to explain the failure and rectify the failure within a maximum period of one month. In case of termination, Client/consultant should intimate about the same in writing at least 3 months prior to the end of contract period from both ends.
