Annexure - 2

General Terms and Conditions

1. Once purchase order is placed, it will be the firm/vendor's responsibility to supply the books and complete the work awarded to the satisfaction of the Institute. Any additional cost incurred to supply the books at NIT Agartala will be borne by the firm/vendor.
2. Suppliers must quote discount on the printed price (not sticker price). If price is not printed on the book, vendor should provide the certificate or any proof of cost to authenticate the price.
3. The price and rate of discount offered by the vendors shall remain valid for 180 days from the last date of submission of rate of discount of books.
4. The supply order shall come into effect three days from the date of its issuance by the NIT Agartala. On receiving the order the firm has to acknowledge the same and shall remain valid until the completion of the obligations of the parties under the order. The deliveries, supplies and performance of the services shall commence from the effective date of the order. In case of non-receipt of acknowledgement from the Bidder, effective date of the Order will be the three days from the date of signing the order.
5. Generally 90 days are allowed to the successful vendors (different publishers, authorised distributors and book sellers) to supply the books to NITA library (door delivery).
6. In case of foreign publications cost of the documents are verified with the latest GOC (Good Office Committee, New Delhi) recognised by Govt. of India and all India book sellers and publishers. Prices of foreign publisher's books will be converted to Indian currency. The exchange rate (as per GOC) foreign currency namely Dollar (\$), Euro (€), pound (£) etc. will be calculated on the date of billing by the vendors.
7. On receiving the books as per purchase order from different vendors to whom the orders have already been issued will be verified with the purchase orders and GOC by the library.
8. While verifying the books only the latest editions of the books are entertained and electronically photocopying books are not entertained and prices of the books in case of foreign publications are verified with the price list to be submitted by the vendors for those foreign publications whose printed price in the book(s) itself is/are not available as well as the conversion rate of GOC.
9. After verification of books is complete the books are accessioned by the library and the bills are sent to the account section for payment.
10. Supplier must take back any damaged books or wrongly printed books, wrongly binding books, page missing books even after entering in the Library Stock (Accession register). Supplier must replace these books at their own cost from NIT Agartala.
11. Bidder must supply the latest editions' latest reprint of books, unless otherwise specifically mentioned. Bidder must supply Indian edition/paperback edition of foreign books if available. ONLY PAPERBACK books to be quoted/supplied. Hardcopy books are not needed when paperback is available.
12. NIT Agartala reserves the right to cancel purchase of any particular book or group of books or the entire lot without assigning any reason.
